SUBJECT: Amend the PY 2022 Emergency Solutions Grant (ESG) award agreement between the Essex County Division of Housing & Community Development and the YMCA of Newark

INTRODUCTION

The County had previously received approval from the Board of Commissioners for the awarding of PY 2022 Emergency Solutions Grant (ESG) funding for various sub recipients and activities, including an award of \$30,000 for the YMCA of Newark, 600 Broad St, Newark for Homeless Prevention activities. At this time, the YMCA is requesting that the current balance of \$30,000 be reallocated for Rapid Rehousing activities, primarily because the provision of necessary support documentation from the courts for Homeless Prevention activities is not being delivered in a timely manner and there is a demand for Rapid Rehousing assistance. The County seeks to reallocate the \$30,000 previously assigned to the YMCA for Homeless Prevention to Rapid Rehousing activities, and subsequently submit the amendment to HUD.

REALLOCATE FUNDS FROM HOMELESS PREVENTION ACTIVITIES TO RAPID REHOUSING ACTIVITIES

The Division of Housing & Community Development proposes to amend the ESG agreement with the YMCA to provide \$30,000 for Rapid Rehousing instead of Homeless Prevention activities. If approved, the Division would subsequently amend the annual plan previously submitted to HUD. Reallocating funds for Rapid Rehousing would enable the YMCA to deliver necessary services and assistance to persons who are homeless or at risk of homelessness.

RECOMMENDATION

It is recommended that the Board of Commissioners approve the proposed amendment to the ESG agreement with the YMCA of Newark as described above. Upon approval by the Board Commissioners, the

FEB 28 PM 4:25

Division will amend the existing contract to reflect that the awarded ESG funds of \$30,000 would be utilized for Rapid Rehousing activities.

REASONS FOR RECOMMENDATION

1. The YMCA of Newark would be able to immediately expend the funds for Rapid Rehousing and provide benefits to Essex County residents who are homeless and in need of housing, which is consistent with the currently approved action plan.

FISCAL IMPACT

The ESG program is funded totally by the U.S. Department of Housing and Urban Development. Therefore, there will be no fiscal impact experienced by the County of Essex

CONCLUSION

This action will result in the reallocation of funds to Rapid Rehousing which the YMCA of Newark can immediately utilize to deliver Rapid Rehousing services to Essex County citizens who are homeless and need assistance. Furthermore, these funds may leverage State, local, and private dollars well above that of the federal grant allocation.
