INTRODUCTION

The Essex County Board of Chosen Freeholders approved resolution #R 2022-00739 approval of Contract for the 2023 Essex County Municipal Alliance DMHAS Youth Leadership Grant Contracts State of the New Jersey Governor's Council on Alcohol & Drug Abuse.

The Governor has extended State Fiscal Year to have four quarter for the period of March 14, 2023- June 30, 2023. The Fiscal Year 2023 four quarter grant funding from Governor's Council on Alcohol & Drug Abuse (GCADA) is to only to extend the period of grant with no additional increase.

The allocation by GCADA to the Essex County Municipal Alliance as described in the letter of Agreement is based on the DHS/Division of Mental Health and Addiction Services (DMHAS) which is funding through federal, SAMHSA funding. The program year will be valid for the period of July 1, 2022, to June 30, 2023.

The Essex County Alliance Steering Sub-Committee has reviewed plan and sub-agreements submitted by the nineteen (14) participating Municipal Alliances, which include fifteen (15) municipalities and one (1) consortium of two (2) municipalities: Caldwell and West Caldwell.

DMHAS Youth Leadership Grant was only available to Municipal Alliances that are actively participating in the FY2023 grant.

The City of Newark and Township of Essex Fells have ceased participation in the Essex County Municipal Alliance Program.

The Township of Cedar Grove, Township of Irvington, Township of Montclair, City of Orange and Township of Verona opted out of the DMHAS Youth Leadership Grant.

The amount allocated to the County of Essex for DMHAS Youth Leadership Grant for SFY 2023 total \$108,201 of which \$79,647.06 is allocated to towns for programs and activities (see attached matrix).

RECOMMENDATION

It is recommended that the County of Essex accept and approve the Municipal Alliance DMHAS Youth Leadership Grant contracts extension for SFY 2023.

REASON FOR RECOMMENDATION

Acceptance and approval of these contracts will enable the Essex County Municipal Alliance to coordinate with municipalities in providing local programs and activities on drug and alcohol prevention and education for youth leadership programs.

FISCAL IMPACT

Funding is provided by the State of New Jersey Governor's Council on Alcoholism and Drug Abuse (GCADA) through the DHS/Division of Mental Health and Addiction Services (DMHAS) which is funding through federal, SAMHSA funding. There is no fiscal impact to the County of Essex.

ALTERNATIVES

To deny this request would deprive the municipalities in the County of Essex the funds to provide programs on prevention and education of alcohol and drug abuse for youth and caregivers and professional who work with youth.

CONCLUSION

The contracts are necessary to provide prevention and education programs and activities to the citizens of Essex County of all ages in the area of alcohol and drug abuse.
