RE: Professional Services Contract with Inglesino Webster Wyciskala & Taylor regarding Branch, et al. v. Loleng, et al. - Docket No. ESX-L-2442-19 Representing Defendants, County of Essex, County of Essex Department of Public Works, County of Essex Department of Parks, Recreation & Cultural Affairs

A. INTRODUCTION.

The County is in need for the services of outside counsel to provide legal services and/or legal representation regarding the assertion of claims related to a lawsuit arising out of a pedestrian (minor) vs. motor vehicle accident in which it is alleged that the County maintained and/or created an ongoing dangerous or hazardous condition to motorists and pedestrians. Specifically, it is alleged that the County's roadway, curbing, and stairs leading to the entrance of County Park were in a dangerous condition, improperly designed and/or not constructed in accordance with preapproved plans.

B. RECOMMENDATION.

The law firm of Inglesino Webster Wyciskala & Taylor is on the County's approved RFQ outside counsel list and was chosen to represent the County of Essex.

It is recommended that the Board of County Commissioners approve a contract renewal between the County of Essex and the law firm of Inglesino Webster Wyciskala & Taylor in the amount of \$45,000.00 for the period from January 1, 2023 through December 31, 2023.

C. REASON FOR RECOMMENDATION

Because of the provisions of the New Jersey Local Public Contracts Law, the retention of Inglesino Webster Wyciskala & Taylor is limited to one year. Since these services are still required by the County, a one year contract is necessary and appropriate.

AMERICANS WITH DISABILITIES ACT

EQUAL OPPORTUNITY FOR INDIVIDUALS WITH DISABILITIES

The contractor and the County of Essex, (hereafter "Owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. S121.01 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the Owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the Owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the Owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the Owner's grievance procedure, the contractor agrees to abide by any decision of the Owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the Owner, or if the Owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The Owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the Owner or any of its agents, servants, and employees, the Owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the Owner or its representatives.

It is expressly agreed and understood that any approval by the Owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the Owner pursuant to this paragraph.

It is further agreed and understood that the Owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the Owner from taking any other actions available to it under any other provisions of this Agreement or otherwise at law.
